A HINT OF THE PAST

by

Jeannie Stanley Mullins

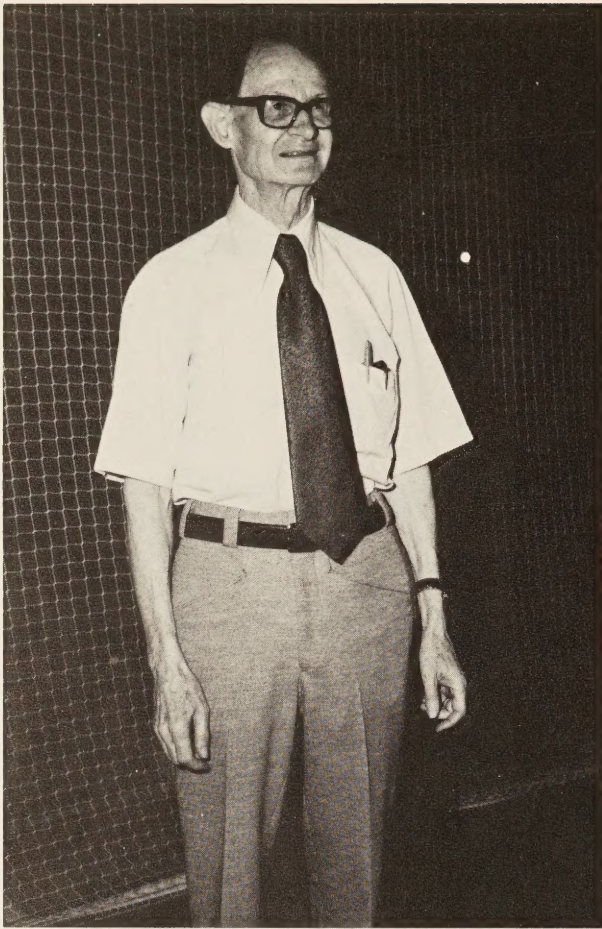

By Chance I ran upon it
In the attic the other day
I sat down upon a trunk
And blew the dust away

The cover that once was white
Was now a dingy gray
I opened up the yearbook
And my mind flew away

Back to the years of my youth . . .

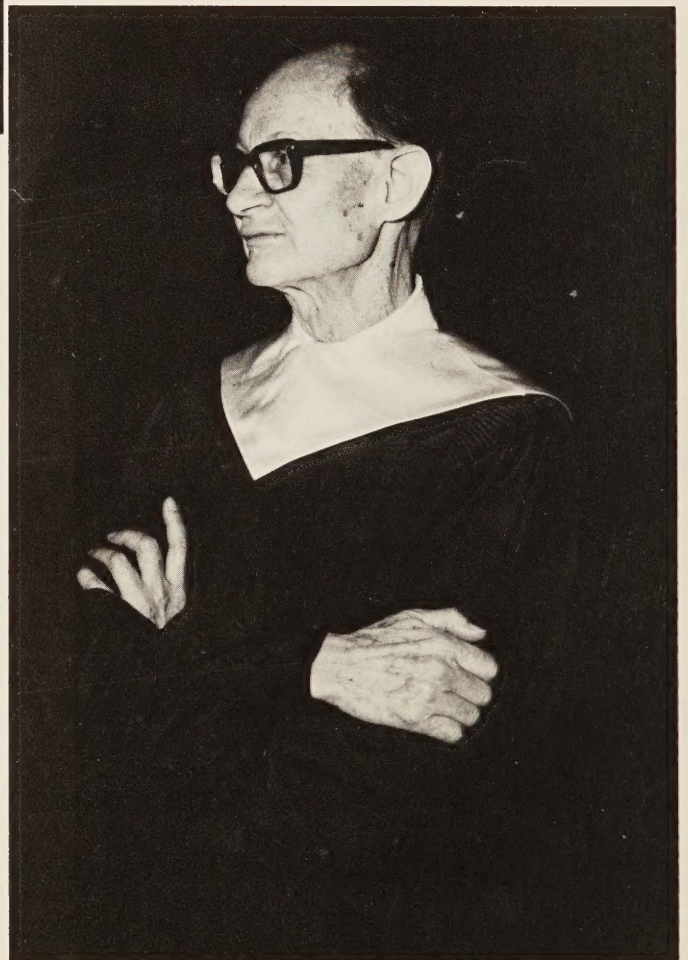

We look back and we remember all the good times at Clintwood High School. Sometimes as we remember the past, we feel the rewards and satisfaction of hard work and dedication. At other times we are alone with our inward selves. We begin; we continue. This is our year. Always enjoy with us our year as you look at this book.

Because of their untiring efforts, their true understanding, and sincere dedication as teachers and friends.

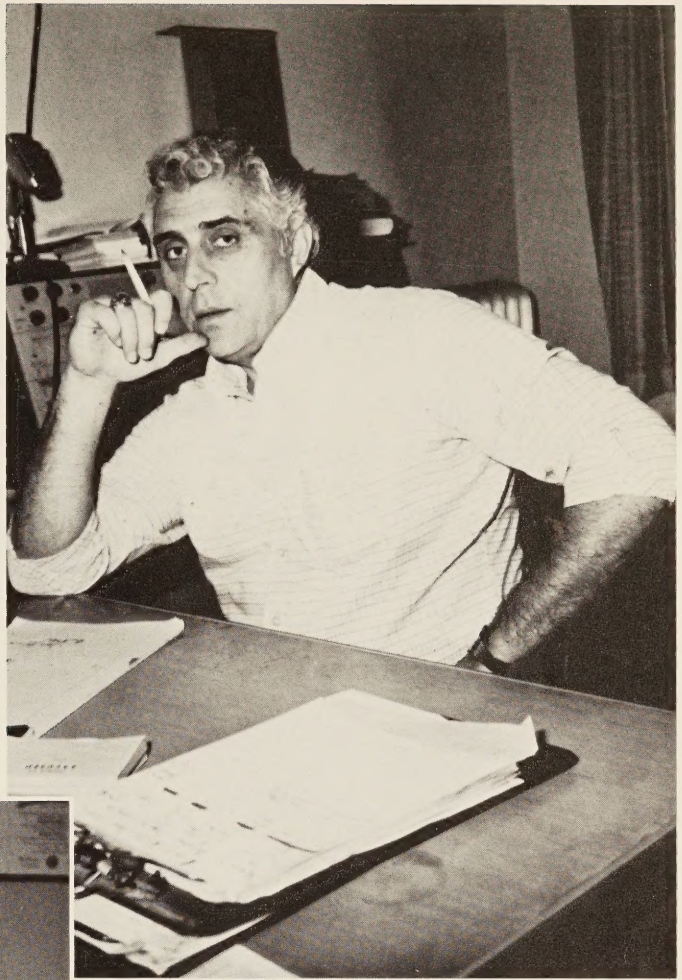

To be rich in friends is to be poor in nothing.

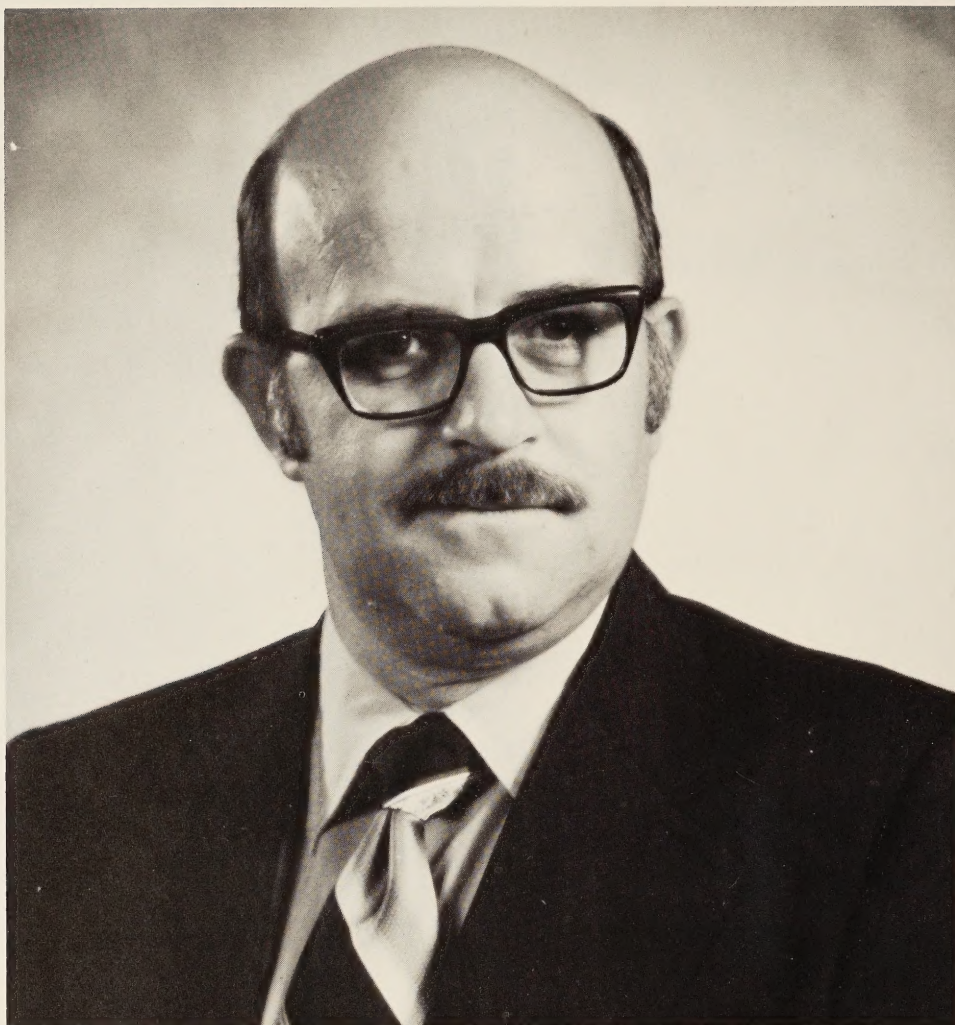

*The 1979 Annual Staff proudly
dedicates The Green Knight to
you —*

*Mr. N. B. French
and
Mr. Doug Mullins*

*For the times you've listened,
cared, and warmed us with your
smile. We Thank you.*

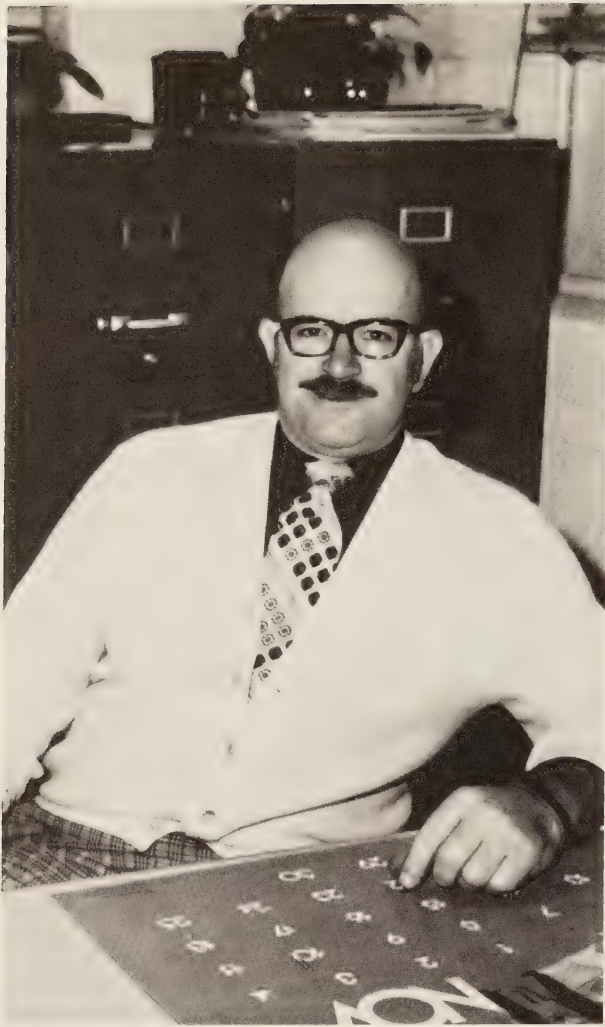

Congratulations to the Class of 1979 on the successful completion of requirements for graduation from Clintwood High School. You have successfully engaged in many endeavors; academic classes, vocational classes, athletics and other extracurricular activities which have helped you develop your abilities. Use the knowledge and understanding you have gained to be an outstanding citizen, a credit to yourself, your family and your school.

May God bless your life.

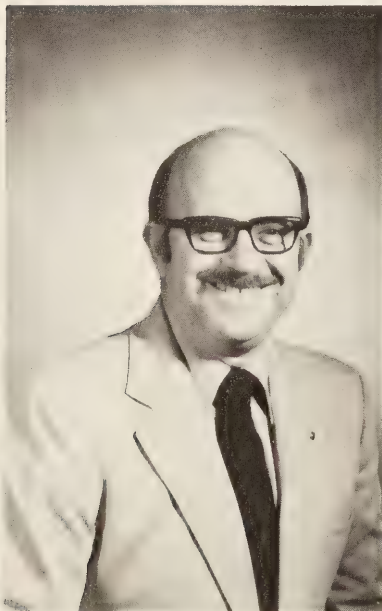

Kenneth M. Smith

ADMINISTRATION...early morning announcements over the PA system echoing through the halls...conferences with the faculty...meetings with school board members...hoping for that extra financial lift to improve the school...leaving the office door open to encourage closer rapport with students and parents...controlling the red tape, checking the memos, making progress with the paperwork...the endless barrage of phone calls...communicating...smoothing the road ahead...

FACULTY... assignments to boggle the mind and jar the imagination... give a synopsis of the next three chapters... discovering individual solutions to problems... a quiz every Friday despite that Thursday night basketball game... conferences with parents after school... bridging the gap... investigating, prodding, probing the corners of the mind... educating: leading forth...
